AMENDMENT

Sir:

In response to the Notice of Non-Compliant Amendment of November 24, 2004, in response to the Office Action of February 12, 2004, please amend the above identified application as follows:

In the claims:

Please cancel claim 1.

Please add claim 1 as follows:

1. An apparatus for electronically delivering a document to a receiving system over a network, comprising:

a server system connected to the network and storing digital information received over the network; and

a sending system connected to the network transmitting digital information to the server system, the sending system optionally sending a notification to said receiving system;

a receiving system that communicates with the server system to determine when digital information in whole or in part is available;
